

THANK YOU!!

Each fall, the State Employees' Charitable Giving Campaign Leadership Team gets to kick-off another successful Campaign. Although we get the ball rolling, it is all of you who carry the Campaign. From large agencies which conduct campaigns with multiple activities, to smaller agencies that have fewer, all combine together to reach one goal: *To help others less fortunate than ourselves.*

State Employees work each day to help their communities and it especially shows during the State Employees' Charitable Giving Campaign. The Leadership Team wants to take this opportunity to say "thank you" for years past, for this year and for the years to come.

- Thank you **Agency Leaders** for letting your Campaign Coordinators talk about the campaign during staff meetings and allowing them to send e-mails to employees encouraging participation in the campaign. The important message that you send out is that you all recognize the needs in our communities and are willing to help.
- Thank you **Campaign Coordinators** for all the work you do to make your campaigns successful. Your willingness to accept the responsibility of this role and ability to add it to your already full workload is appreciated. Much of the success of the Campaign is due to your work and creativity - and the creativity that we see is amazing!
- Thank you to all the **Volunteers** for your participation and much appreciated support, and
- Finally, thank you to each of our **Co-Workers** statewide who contributed time, fund raising items, and financial assistance which support the worthwhile programs in our communities. We could not do it without you.

Good luck this year. We hope you all have a successful and fun campaign!

Again, thank you. It is an honor to represent you.

Your State Campaign Leadership Team
